

THE ARC OF ESSEX COUNTY MEMBERSHIP

When you become a member of The Arc of Essex County, you also become a member of the state and national organizations. In addition to helping ensure the success of our local programs, your support through membership provides many other benefits as well.

Since the founding of The Arc of Essex County, great strides have been made in improving the quality of life for persons with developmental disabilities. These accomplishments, however, would have been unattainable were it not for the strong support given by its members.

To join The Arc takes just a couple of minutes, yet its impact can last a lifetime. We hope that you will become a member. In so doing, you will ensure that the progress achieved during the past years continues well into the next century.
